

Resume

Chenna Sanjana

Several improvements can be made to enhance this resume information. The key is to be concise, impactful, and to showcase achievements, not just activities. Since we lack specifics about Chenna's education, projects, etc., I'll provide example enhancements assuming certain details. **You MUST** replace the bracketed information with Chenna's actual details.

Option 1: A more concise resume summary style

Name: Chenna Sanjana **Headline:** Highly motivated and results-oriented Computer Science Engineering student at VNR VIGNANA JYOTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY, pursuing innovative solutions. **Location:** Hyderabad, Telangana, India **Contact Info:** [Phone Number] — [Email Address] — [LinkedIn Profile URL (Optional)] — [GitHub Profile URL (Optional)]

Summary: A dedicated and ambitious Computer Science Engineering student at VNR VIGNANA JYOTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY (expected graduation: 2026) with a strong foundation in [mention 1-2 relevant areas, e.g., data structures, algorithms, software development]. Seeking opportunities to leverage my skills in [mention desired field, e.g., software development, data analysis] and contribute to a dynamic team.

Skills: [List key technical skills - e.g., Python, Java, C++, SQL, JavaScript, React, Git, Agile methodologies. Quantify whenever possible – e.g., "Proficient in Python, developed 3 applications using Django framework"]

Projects: * **[Project Title 1]:** [Brief description, highlighting accomplishments and quantifiable results. E.g., "Developed a web application using React and Node.js that improved user engagement by 15%"] **[Project Title 2]:** [Brief description, highlighting accomplishments and quantifiable results.]

Education: * **VNR VIGNANA JYOTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY, Hyderabad:** Bachelor of Technology in Computer Science Engineering (Expected Graduation: 2026), GPA: [GPA or equivalent]

****Courses:**** [List relevant coursework – e.g., Data Structures and Algorithms, Database Management Systems, Object-Oriented Programming, Web Development]

****Certifications:**** [List any relevant certifications – e.g., Google IT Support Professional Certificate]

****Extracurricular Activities:**** [List relevant extracurricular activities and leadership roles, quantifying achievements wherever possible. E.g., "Treasurer, Computer Science Club; Organized 3 workshops, increasing membership by 20

****Option 2: A more traditional resume format (if space allows)****

This option would expand each section, providing more details under each heading. It would be suitable for a longer resume.

Remember to replace the bracketed information with Chenna's actual details. Tailor the resume to each specific job application, highlighting the most relevant skills and experiences. Use action verbs to start your descriptions (e.g., developed, designed, implemented, managed). Quantify your accomplishments whenever possible to demonstrate the impact of your work.
